2nd Reading: Charter & Bylaws Document Update

Due to some observations and suggestions Board Member George Leyh presented during Monday's Working Session, there have been two more edits to the 2nd Reading document. The updated documents have been posted to the website.

The first change is in Article IV, Section 3. The final sentence was changed to, "In keeping with the history and tradition of the Association, the Board of Managers reserves the privilege of conducting religious conferences and religious services, as well as cultural programs, on these grounds at appropriate times."

The second change was in Article VIII, Section 1; the Committee Chair sentence was expanded to read, "Committee Chairs must be Voting Members of the Association; the Board of Managers may make exceptions via a vote for other legal cottage owners to serve as Committee Chairs."
