2023 Annual Drinking Water Quality Report

MGCA Member(s):

Below you will find a link to the 2023 Annual Drinking Water Quality Report that the Department of Environmental Protection requires we send to our Members. The report reflects that in 2023, the water produced by the Campmeeting system met all DEP requirements for safe drinking water.

If you would like a printed copy of this report, please respond by reply e-mail and one will be mailed to you.

In addition, if you have questions related to this report please don't hesitate to contact us.

Regards,
Mount Gretna Campmeeting Office
