Our Community: A Vision for Preservation

Please join Ryan Fretz, founder of Friends of Governor Dick, and the Campmeeting Tree Committee at 10 a.m. at the Tabernacle on Saturday, September 14, for a presentation of “Our Community a Vision for Preservation” as we talk of ways to preserve our birds and other natives through our landscape planting. There will be a scavenger hunt for children afterwards with a small prize for those who complete it. All are welcome.
