### Full Dumpsters

The MGCA is aware that our dumpsters at the north end of 1st street are completely full. The dumpsters are normally emptied every two weeks, but our vendor (Waste Management) said it has not conducted our last two pickups due to weather/road conditions.

We have asked Waste Management to make a pickup ASAP to resolve the problem, but we understand that will not occur until at least next week.

In the meantime, we ask that you avoid placing any more bags around the dumpsters and instead place trash curbside for TNT's regular pickup on Monday morning. Thank you for your patience.
