Temporary Street Closure

ALERT! - TREE AND POWER LINES DOWN!

A tree, several utility poles, and some power lines are down in the vicinity of the Mt. Gretna Community Library. It is possible that the power lines are still energized and could present a serious risk.

As a result, Glossbrenner and Otterbein Avenue between Pinch Road and 8th Street are temporarily closed to ALL pedestrian and other traffic.

The hazard area is marked with yellow safety tape. PLEASE DO NOT TRANSIT THE AREA! Also, please move and do not park any cars in spaces near the library along Hwy 117, as utility company crews making repairs may need to access and park their vehicles in that area.

When the area is again safe to use, the yellow safety tape will be removed.
