Temporary Street Closure

Final paving work on the **1st Street and Kauffman Avenue culvert replacement project** will be conducted tomorrow, **Wednesday, April 20, beginning around 7:00 a.m.**

This area will be closed to all traffic while work is in progress. Work should be completed by mid-afternoon and the streets may be used immediately thereafter.

Please **plan to use alternate routes**, don't speed, and comply with all traffic restrictions while work is in progress.

Many thanks to Board/B&G Committee Member Don Dale for his work in seeing this important project through to completion.
