Snow Alert

The weather forecast for our area calls for a period of snow beginning around 4:00 p.m. Sunday afternoon (January 16) with accumulations of two to four inches. Precipitation is expected to change from snow to rain, and possibly some freezing rain, late Sunday evening until mid-morning Monday.

To facilitate treatment and plowing, all vehicles must be removed from the Mt. Gretna United Methodist Church parking lot.

We ask that all Members, guests, and tenants move their vehicles from the Mt. Gretna United Methodist Church parking lot by 1:00 pm on Sunday, January 16th.

Alternate parking is available in the Carter and Kauffman Avenue lots.

Precipitation and low temperatures may create icy, slippery conditions. All Campmeeting streets and walkways should be treated, but please use extra caution when walking and driving in the community.
