## Snow Alert

A Winter Weather Advisory for our area calls for a period of wet snow beginning around 2:00 a.m. Thursday morning (January 20) and ending by 11:00 a.m. with accumulations from one to three inches. Lowering temperatures after 7:00 a.m. may cause freezing of roads and walkways.

To facilitate treatment and plowing, all vehicles must be removed from the Mt. Gretna United Methodist Church parking lot.

**We ask that all Members, guests, and tenants move their vehicles from the Mt. Gretna United Methodist Church parking lot from receipt of this notice until noon on Thursday, January 20th.**

Alternate parking is available in the Carter and Kauffman Avenue lots.

Precipitation and low temperatures may create icy, slippery conditions. Campmeeting streets and walkways should be treated, but please use extra caution when walking and

driving in the community.
