## Snow Alert

A Winter Weather Advisory is in effect for area, calling for periods of rain and sleet with ice accumulations. Lowering temperatures may cause freezing of roads and walkways.

To facilitate treatment and plowing, all vehicles must be removed from the Mt. Gretna United Methodist Church parking lot.

**We ask that all Members, guests, and tenants move their vehicles from the Mt. Gretna United Methodist Church parking lot from Thursday, February 3rd at 6 p.m. until noon on Friday, February 4th.**

Alternate parking is available in the Carter and Kauffman Avenue lots.

Precipitation and low temperatures may create icy, slippery conditions. Campmeeting streets and walkways should be treated, but please use extra caution when walking and driving in the community.
