Two upcoming projects in the Campmeeting will result in power outages and street closures.

Thursday, May 5th: Weather permitting, Met-Ed will replace a utility pole on Otterbein Avenue between 2nd Street and 3rd Street. Members in the area should plan on their power possibly being out from 9am to 5pm, though the actual outage may be much shorter.

Tuesday, May 10th: Weather permitting, Musser's Tree Service will remove a tree at 2nd Street and Otterbein Avenue. Met-Ed will turn off power to four surrounding homes. We do not know what time this work will begin or if power will be restored that day or the following day. Please plan accordingly.
