Board Seeks Input on Possible Noise Rule Change

Rule 17.(a) of the MGCA Rules and Regulations states:

"In the interest of preserving the peacefulness and quiet beauty of The Campmeeting, all unnecessary noise should be kept to a minimum. Quiet shall be maintained on EVERY Sunday of the year and daily from 10 p.m. to 7 a.m. on other days."

The period of quiet identified in this rule is commonly referred to as "quiet hours." At the May 2022 Board of Managers Meeting, a Member requested that the Board consider moving the start time of daily quiet hours back to 11 p.m., pointing out that through the years the start time has ranged anywhere from 10 p.m. to midnight. The Board discussed various possibilities, including changing the time every day as the Member requested, changing it on Fridays and Saturdays only, changing the 7 a.m. ending time, and making no changes at all.

Ultimately, the Board decided to solicit Member input and revisit the issue at its June meeting. If you would like the Board to consider your views on changing the existing rule on quiet hours, please send your comments to office@mtgretnacampmeeting.org by June 14. Thank you!
