### B&G Committee Chair Position Open

The MGCA Building & Grounds (B&G) Committee chair stepped down in early June. Since then, MGCA President Hal Myers has been serving as interim chair. No current Committee members have indicated a desire to take over the position so we are making the entire community aware that this important position needs to be filled.

The B&G Committee is responsible for ensuring that all aspects of Campmeeting's buildings, grounds, and infrastructure are properly cared for, from lighting the Tabernacle and getting the grass cut to coordinating snow removal and ensuring our drinking water is safe. Our By-Laws provide for the hiring of a Superintendent of Grounds to help get the job done, but the Committee still needs an effective chairperson to coordinate its activities.

Other than being an MGCA Member, there are no set requirements to serve as B&G Committee chair, though good organizational skills are a must. If you'd like more information or feel you may be a good fit for this position, please contact Hal Myers at [president@mtgretnacampmeeting.org](mailto:president@mtgretnacampmeeting.org) or 717-805-7929.
