Subject: NEW MGCA Leaf Collection Procedure

MGCA Leaf Collection Procedure

The Buildings & Grounds Committee has been working to develop a new leaf collection procedure. While it is not in its final form, the B&G recognizes that it is important that Members have this information as soon as possible. Therefore, the working draft of the leaf collection procedure is being made available on the MGCA website at the link below. Members will be updated as the draft is finalized.

Thank you.
