Subject: Scheduled tree work in the Campmeeting

Tree Work

Weather permitting, Lebanon Valley Tree Care will be working in the Campmeeting on Wednesday, October 5th, to remove a tree in the 400 block area of 4th Street. They will be accessing this area from 5th Street. Please be aware there will be temporary street closures in this area. They will also be trimming some branches on an oak tree near the intersection of 5th Street and Boehm Avenue - again, please be aware of temporary street closures in this area.

Please use caution while the work is in progress and be prepared to take alternate routes if necessary.
