Subject: Water Tower Payoff Survey - Clarification

Water Tower Project - Survey Clarification

On Wednesday, the MGCA sent a survey through SurveyMonkey to the primary email address of each Member household. The survey was titled, "Water Tower Project: Early Pay Off - Assessing Interest."

The formatting of the survey was not set up correctly, and the email showed the first (and only) question of the survey without the explanatory text. This caused confusion with some Members, and for this confusion we apologize!

We are CANCELLING the survey sent Wednesday and will be issuing a revised survey Saturday morning. If you responded to the survey sent Wednesday, you will still need to respond to Saturday's survey in order for your response to register.

Note: If you did not receive the survey, please check your spam folder.

Again, we apologize for the inconvenience - your input is VALUED.
