Camp Connect

A Communication of the Mt. Gretna Campmeeting

Addendum to June Board Meeting Packet

As you may know, the Board is conducting a 2nd reading tonight for a proposed change to the Mount Gretna Campmeeting By-Laws. The proposed change allows for significantly more community participation in the way that we change our By-Laws.

The suggested change *was* included in the meeting packet. However, the information referred to in the PA Non-Profit Laws was not included. In the past month, several Members have asked for the information and it was individually provided but unfortunately not sent to the entire community. To rectify that oversight, we are providing this list to the entire Membership for their review. The information is included via the link below.
