Camp Connect

A Communication of the Mt. Gretna Campmeeting

Time for a ribbon-cutting celebration 🎉?

We are scheduling a tentative ribbon cutting celebration for our new water tank on Saturday, July 29th at 4:30 p.m.! If water is not flowing from our system by that time, a new date will be announced at the Annual Meeting and you will also be advised via email.

Please RSVP to the office if you plan to attend so that we can make appropriate plans. We'll need to know the number of adults and children who may be coming.

Keep your fingers crossed that a celebration can occur on July 29!

Hope to see you then!
