## You Can Make A Difference!

Many in our community have already written to encourage PENNVEST to provide financing for our water storage tank project. If you're among that group, thank you! If not, there's still time!

Low-interest PENNVEST financing would substantially reduce the total cost of the project, and letters from the community can help. ***We're asking you to submit a brief letter encouraging PENNVEST to approve our loan application for the Mt. Gretna Campmeeting Water Storage Tank Replacement Project. Letters must be received by January 5th.***

- PENNVEST is a Commonwealth entity that provides low-cost financing for community water projects.
- Our water storage tank is nearly 75 years old and in need of replacement.
- A one-time assessment to pay for the project would create an unacceptable burden on some current Campmeeting property owners.
- Community members voted overwhelmingly in favor of obtaining a loan to minimize the cost of the project.\*
- PENNVEST financing could reduce the total cost to the community by hundreds of thousands of dollars.

*\*Note: It is expected that Members who wish to pay their portion of the project cost in a single, up-front payment vs. in annual installments will have an opportunity to do so.*

Your letter of support should be directed (but not sent) to:  
PENNVEST

333 Market St, 18th Floor  
Harrisburg, PA 17101

Please **do not send** your letter directly to PENNVEST. So that your letter can be submitted with our application, please send it to the Mt. Gretna Campmeeting Association office at [office@mtgretnacampmeeting.org](mailto:office@mtgretnacampmeeting.org).

Thank you in advance for your support. Your efforts will benefit our entire community!

Have a happy and safe New Year!
