Snow Alert

A Winter Weather Advisory is in effect for our area tomorrow (Sunday, January 9) from 5am to noon. Periods of mixed precipitation, including freezing rain, combined with low temperatures may create icy, slippery conditions.

Mt. Gretna Borough crews will begin anti-ice treatment of the United Methodist Church parking lot and Campmeeting streets on Saturday evening.

We ask all Members, guests, and tenants to move their vehicles from the Mt. Gretna United Methodist Church parking lot no later than 6pm today (Saturday, January 8th).

Alternate parking is available in the Carter and Kauffman Avenue lots. All Campmeeting roads and walkways should be treated, but please use extra caution when walking and driving in the community.

Thank you,

MGCA Buildings & Grounds Committee
