Earth Day Events Planned for THIS Saturday, April 30th

Our planet is an amazing place, but it needs our help to thrive! That's why each year, more than a billion people celebrate Earth Day. By taking part in educational activities and things like picking up litter and planting native trees and shrubs, we can make our world a happier, healthier place to live.

April 22nd fell on a weekday this year, so **we have decided to celebrate Earth Day in Campmeeting on Saturday, April 30th**. As detailed below, there will be activities, community cleanup, shrub planting, etc.

- | | |
|------------------------------|---|
| 9:30 a.m. | Meet at the Tabernacle (<i>bring your gloves, rakes, and shovels!</i>) |
| 9:30 a.m.-11:00 a.m. | Plantings and cleanup |
| 11:00 a.m.-12:00 p.m. | Games and activities for kids |
| 12:00 p.m.-1:00 p.m. | Naturalist presentation and walk |

Earth Day Speaker

Starting at noon in the Tabernacle, there will be a presentation and walking tour of the Campmeeting conducted by naturalist Lisa Sanchez. Lisa has been a naturalist at the Lancaster County Department of Parks and Recreation Environmental Center for over 25 years. She has a BS in Education and a Masters in Counselor Education from Millersville University. Teaching students of all ages to explore and value the wonders of nature is her passion, and in her opinion, helping people reconnect to the earth through education and observation is a great day at work! Lisa can often be found in her garden or paddling her kayak on the river. This event is being sponsored by two Campmeeting community members, and we appreciate their generosity!

**Please mark April 30th on your calendar, and don't forget your gloves and tools!
We look forward to seeing you there!**
