Final Spring Leaf Collection

**The final day for Spring leaf collection is
Wednesday, June 8, 2022**

Leaves placed curbside after this date will not be collected!

Please remember:

- Leaf piles must include leaves and pine needles only.
- Piles must be free of foreign objects and pet waste.
- When possible, please locate piles on streets where the collection crew has vehicular access.

Green waste, which includes sticks, branches, pine cones, and root balls from potted plants will continue to be collected year round and must be placed in a separate pile. Commingled piles will not be collected!

Members may dispose of leaves and green waste at any time in designated locations behind the garages at the north end of 1st Street, with their regular trash, or if bagged, in the MGCA dumpsters (no large branches in the dumpsters).

Leaf collection will resume late October.

Thank you.
