MGCA Leaf Collection Schedule

At the end of October, we emailed Members the latest updates to the MGCA leaf collection procedure - along with **a map and schedule of the pickup areas**. The leaf collection procedure is on the MGCA website.

Current Leaf Collection Procedure

In response to Member suggestions, we have also added the leaf pickup schedule and map to the calendar on the MGCA website on our "News & Events" page. If you are wondering if your area is in Group 1 or Group 2, simply select the event, choose to see "more details", and you will be able to view or download the map that displays the pickup areas and group schedules.

Thank you.
