Subject: Reminder - Upcoming MGCA Water Shutoff

Upcoming Water Shutoff

The water tower contractors have notified us that they plan to do work on Tuesday, February 7th, which will necessitate turning off the water at approximately 8:30 a.m. They anticipate the water will be turned on at approximately 9:30 a.m.

Residents may want to consider filling containers with water in the event the water is turned off for longer than anticipated.

If the timing of this activity changes, we will notify you as soon as possible.
