MGCA Members:

As you are aware, recently I sent you a survey to gauge whether you think the Board communicates and interacts effectively with you. It was my intention to gain insight on what we [the Board] are doing well, and ways where we can improve. This information will be discussed during my report at the Board meeting next week. Since some of you will not be able to attend the meeting, I'm sharing my report and the survey responses with you now.

Thank you so much for taking time to respond—I've read every response. I value your opinions and work to represent YOU.

Pat Wilmsen
President, MGCA Board of Managers
