MGCA March Meeting

The draft agenda and attachments for this month's regular monthly meeting of the Board of Managers were posted to the MGCA website on Friday and an email notice of their availability was sent to the membership.

Since that draft was sent out, the President's report was significantly updated. Pat Wilmsen wanted the Membership to be able to have plenty of time to review it before tonight's meeting if that was their desire. A link to the report is on the website and can also be reached directly via the button below.
