Subject: Spring Leaf Pickup

Campmeeting Leaf Pickup

Spring is here and many residents have begun outdoor “spring cleanup”. Although Members are encouraged to leave leaves on the ground around the trees as much as possible, we understand that not all leaves can be left on the ground. To ensure leaf piles do not block our streets and pathways, MGCA has begun periodic leaf collection. Collection will end the week of May 29 and start again in the fall. Leaves will be collected from all driving streets every other week in rotation according to the schedule below. Leaves do not need to be bagged.

Leaf piles may contain leaves, pine needles and pine cones ONLY! Sticks and green waste **MUST** be placed in a separate pile. All piles must be free of pet waste and foreign objects. Piles that do not meet these requirements will NOT be collected but will be left in place and marked with an explanatory note.

In addition, Members may take their leaves to the storage location behind the garages on the east side of 1st Street. Please call the MGCA Office (717) 964-3040 if you have questions. Thanks for your cooperation.

A copy of the current leaf procedure may be found on the MGCA website at:
